

2013 Monmouth University 5K

Thank you all for participating in the 4th annual 5K sponsored by the Political Science and Sociology Clubs. Thank you to the club students and their advisors, Dr. Patten and Dr. Mezey. The Kortney Rose Foundation is grateful to be chosen as the charity that benefits from the proceeds of the event. Thanks also to our sponsors, Aramark and the Athletics Department; and to Phi Sigma Sigma sorority for volunteering. Big thanks also to Heather Mistretta who does a tremendous amount to help plan the event.

The weather was perfect! Many came to take Dr. Patten's challenge..... and many beat him. ☺
Seriously, thank you to Dr. Patten for putting forth that challenge and for your generous and competitive spirit. It really enhances the event. We would also like to thank Professor Reinhart for putting the same challenge forward. Unfortunately because of the date change, he couldn't make the rescheduled date, but he is generously donating regardless.

This was a record setting year with over 100 participants and over \$1,600 raised for pediatric brain tumor research.

Alec Stabile was the first finisher for the men, and for the fourth year in a row, Jenna Intersimone finished first for the women.

(see attached photo of the top three men and women).
