THE KORTNEY ROSE FOUNDATION

CURING BRAIN TUMORS ONE STEP AT A TIME!

I wanted to start a newsletter to update people through a nicer vehicle than numerous emails. People have really been supportive and interested in what is going on with The Kortney Rose Foundation (KRF). I have gotten a new web designer so hopefully things will be more timely in getting onto the website.

Kortney's Challenge, a two mile FUN run/walk is scheduled for Saturday, September 8 with a rain date of Sunday September. 9. **Please Pre-register!!** I understand that many people wait to see what the weather will be like or simply forget to register, but you will get through registration faster and will be

guaranteed a T-shirt if you pre-register. People are more than welcome to come the day of and register, as well, but shirts and goody bags are on a first come first serve basis that day so come early! Registration starts at 2 PM with the race starting at 3 PM. Again this year we will be featuring a "stuffed animal pet parade." Children may bring along their favorite stuffed animal to walk with. No rollerblades, Heelies, scooters or bikes will be allowed during the walk. Thanks to all of our sponsors especially World Subaru, "Super Mike" Minervini, Pound Puppies and Red Line Marine Liquidators.

The fun doesn't end with the walk. Join us after the walk at the Oceanport Summer's End Festival from 4-9:30 PM. Food, fun, entertainment and fireworks abound.

And they're off—Kortney's Challenge 2006

WOULDN'T YOU LIKE TO RIDE IN A BEAUTIFUL BALLOON?

Mike Minervini aka "Super Mike" has arranged for the RE/MAX hot air balloon to be at the Oceanport Summer's End Festival from 6-8 PM.

While this is an exciting thing in and of itself the spectacular thing is that people who want to

get a tether ride in the balloon will be asked to give a \$25 donation. All proceeds are going to The Kortney Rose Foundation. RE/MAX mainly supports the Children's Miracle Network but Mike suggested that he would like the donations to benefit KRF. So thanks to him

people will be getting a chance of a lifetime in a hot air balloon and helping a worthy cause in the process.

Vinny provolone & Carmella mozzarella's engagement party

Everyone really enjoyed themselves at The Kortney Rose Foundation's first annual dinner/dance. The theme was Vinny Provolone and Carmella Mozzarella's Engagement Party performed by a group of actors. The actors mingled with every guest as they entered the beautifully decorated ballroom. 250 attendees, viewed the performance, enjoyed dinner and participated in the multiple auction opportunities.

Oncology at The Children's Hospital of Philadelphia (CHOP) was the keynote speaker and helped to educate the audience on what CHOP's pediatric brain tumor research program is about.

We would like to thank all of the volunteers and attendees for making the evening a complete success. **More than \$50,000 was raised for pediatric brain tumor research.**

COMMERCE BANK LINKS UP WITH KRF

KRF has joined Commerce Bank's Affinity Membership Program, which provides our organization the opportunity to earn annual cash donations. **IT IS EASY TO SIGN UP AND AT NO COST TO YOU!!!**

already have a Commerce account, just visit your local office and tell any representative that you would like your account linked to our Affinity Membership Program.

Commerce will donate a percentage of the annual balance in every one of our members' accounts. Checking, savings, money market, CDs and retirement accounts are all included! And, there is no limit on the amount of our potential donation!

To make it really easy to join KRF's Affinity Membership Program there will be a table at the Oceanport Summer's End Festival from Commerce where representatives will sign up new accounts or switch existing to KRF. All accounts opened there will be linked to KRF's Affinity Program.

Make Commerce Bank your bank. Visit any Commerce Bank location and open any of the above mentioned accounts. Let the Commerce representative know that you want you account linked to The Kortney Rose Foundation Affinity Program. That's it...Commerce will take care of the rest. If you

This is a really simple way to not have to pay a cent yourself, but let Commerce donate to KRF on your behalf. Your money just sits there anyway, now it will make a difference for children through research for pediatric brain tumors. Thank you for your continued support. Sincerely, Kristen Gillette

The Kortney Rose Foundation website is going through some transitions right now. We are updating it. The new address is www.TheKortneyRoseFoundation.org but the old one will get you there also.
